

A revolutionary partnership providing pain relief with even pressure distribution and thermal therapy coverage from the sacral spine through the T9 vertebra.

Creating innovation with partnership:

The Solution[®] meets the VitalPad[®]

A new partnership has been formed between VitalWear Inc., and XBACK Bracing Services offering a superior solution for innovative back bracing integrated with thermal therapy. The VitalWrap[®] System is a revolutionary approach to hot/cold/contrast therapy with a proven track record in pain management; the XBACK[®] Solution LSO Brace, offers patients superior support and pain relief with a light weight and patient-compliant design. Combined, our products provide therapy for pain and discomfort caused by a wide variety of conditions. Coding for our products is **SADMERC** approved. Our partnership paves the way towards a unique technology to expand both VitalWear and XBACKS's family of low-cost, highly reimbursable durable medical products.
